Subject: Request for Signature Addendum to Reclamation Contract #1, Unico Incorporated, Deer Trail Mine, M/031/003, Piute County, Utah

Dear Mr. Ash:

On October 4, 2006, an addendum to the reclamation contract was mailed requesting your signature and the return of the original. As of the date of this letter, the Division has not received this signed document. If this original signature page has been misplaced, a blank signature page is enclosed for you to sign and date and return in its original form to the Division. The Division Director will then sign and date it again.

During November 2006, the Division received a telephone call from Pamela, Unico Incorporated, advising the company officers were different than as shown on the addendum to the reclamation contract. She agreed to send the appropriate authority documents identifying the officers. The Division has not received this document. The Division has recently checked principal information with the State of Utah, Division of Corporations, and there have not been any changes since the last informational update of October 2006.

Please provide the original, complete, signed Addendum #1 to the Reclamation Contract immediately. The amendment and reclamation surety have not received Division approval. **Failure to furnish and maintain reclamation surety may result in a permit withdrawal, after notice and opportunity for board hearing, cessation of mining operations, and/or requirement to reclaim all lands affected.**
